The Barrington Roundup II

Public Art Exhibit

Living United...

...Empowering Our Community

For 53 years the residents of Barrington have been supporting the Barrington Area United Way, and the Barrington Area United Way has been serving its community. Throughout the summer of 2012, we will publically celebrate this five-decade partnership with a public art exhibit that epitomizes the Barrington area.

- ◆ Local businesses & organizations will come together and work with local artists to create beautiful full-size and tabletop horse sculptures.
- ◆ Businesses and organizations will show their community spirit by sponsoring horses. Our artists will work with sponsors to develop an artistic theme, or sponsors can choose to provide their own artist.
- ◆ Horses will be publicly displayed in prominent sites all around the Barrington area, from June through August, 2012.
- ◆ Horses will be up for public auction in September, 2012, with all the proceeds benefiting the greater Barrington area.
